DID YOU KNOW?

Recently Grace Christian School & Child Development Center have been able to purchase 10 acres of property connecting to the east side of the church property. This will help to facilitate future growth for the both of these excellent ministries!

There are several areas of need in our ministry. Currently, we have a need for a small tractor that has a front end bucket and a bush hog in order to maintain the areas around our campus. We also have one of our older buses that we are selling.

Your giving changes lives! There are many ways to invest financially here at Grace. Visit the INVEST menu of our APP or pick up an Investing Guide at the Next Steps Table for more information. Thank you for supporting the Mission of Grace Chapel Church!
